

WHERE THE FALCON SOARS
(Frontier High School Alma Mater)

We, the Falcons, of Frontier High;
are strong and proud, not afraid to try.
Learning to survive standing side by side, as one.

Starting on our journey, the limit is the sky;
with heritage and vision, the wings we need to fly.
Standing together for all to see, as one.

Soaring like the Falcon, imagination free,
we climb the mountains of our lives and face them bravely.
We, the Falcons, of Frontier High, are one.

REFRAIN

We, the Falcons, of Frontier High;
