**Frontier Middle School Summer Academy** will begin on **July 5<sup>th</sup>, 2022**. Students may either remediate work from the past year to earn a passing grade or supplement skills for the upcoming school year.

Students will be expected to attend every scheduled day from 7:45am - 12:05pm. All students will be scheduled for 3 classes based on academic needs (70 minutes each). Students will be assigned to any course(s) they failed to earn a passing grade. Then, any core class that is in need of supplemental instruction will be a priority to make best use of the student's time in the academic program. Lastly, a variety of NEST activities to develop academic skills and collaborate with peers and strengthen social-emotional skills (Ex. Budgeting, Journaling, Phys. Ed, Book Talk, Character Ed., Study strategies, research skills, board games, comprehension, creative writing, etc) will be assigned to provide different learning and social opportunities for students.

Upon arrival, students will go to the cafe where breakfast will be available to purchase until classes begin at 8:00. An additional break will be scheduled for 30 minutes in the cafeteria where food will again be available. A free/reduced form link can be found on the Frontier Central website.

Please note the Middle School Academy program takes place at **Frontier High School** at 4432 Bayview Road, Hamburg, NY, not at Frontier Middle School.
