***<u>Important Notice About the Rights of Non-Custodial Parents</u>**:
Non-custodial parents have a right to participate in their child's school programs and activities and to obtain information about their child's education on the same basis as a custodial parent/guardian of the child. An exception to this general rule is made when the District is provided with a court order that deprives the non-custodial parent of one or more of these rights.

In the absence of being provided with a court order that limits the rights of a non-custodial parent, the District will presume that the non-custodial parent has the right to request information concerning his or her child, and to participate in the child's school programs and activities on the same basis as a custodial parent/guardian of the child.

Are you in possession of a court order that limits a non-custodial parent's access to the child, the child's school programs and activities, or the child's educational records? ☐**Yes** ☐**No**

If you answered Yes, then you must attach a copy of the order to this application.

**I understand that with my failure to provide a court document designating custodial parent/guardian, the Frontier Central School District will not be held responsible for releasing my child, _____, to his/her alternate parent.**

**Signature**_____

If you answered 'No', and you believe that there is a reason why a child's non-custodial parent should *not* have access to the child, the child's school programs and activities, or the child's educational records, then it is your responsibility to apply for an appropriate court order. If you obtain such an order after the date of this application, you must promptly deliver a copy of the court order to the District's Registrar.

***<u>Certification and Authorization of Parent Completing this Application</u>**

I, the undersigned, am the parent/guardian of the child listed **on this** Enrollment Application. I have completed this Application and provided the attached documents with the understanding that the District will rely **upon the same** to determine whether my child is legally entitled to enroll as a student of the District. I am aware that the provision of any **false** information or **fraudulent** documents to the District may constitute a crime. I further certify that I am a resident of the District, and that the information and documents provided in support of this Application are **accurate** and **truthful**. I authorize the request of student records from prior schools and give permission to the District to verify any and all information provided in support of this Application.

**I acknowledge that the District reserves the right to investigate, at any time, the accuracy of all information and documents that I have submitted or will submit in support of this Application. I also promise to promptly notify the District when any supporting information or document that has been provided to the District is no longer accurate or up to date. I understand that if the District discovers that my child is not a legal resident of the District, my child will *not* be permitted to attend District schools and I may be liable for the cost of education for each day he/she attended as a non - resident.**

You will receive a notice if there is any problem identified during your child's physical examination. If notified, please be sure to take your child to his/her health care provider, eye doctor or dentist as soon as possible. Nurses are required to follow up on all referrals sent to you addressing your child. If you would like any assistance in linking with medical providers, health insurance or any other particulars relative to the referral, please do not hesitate to contact your school nurse. If your child requires a modification in the school environment to best meet his/her physical needs, please advise the school nurse as soon as possible. If medications are required during the school day (including those **over-the-counter**), forms are available from the school nurse that must be completed by the medical provider per the medication administration policy.
