Welcome to Chorus!

As we begin a new school year, we are looking forward to sharing our love of Choral music with you! This year at FMS promises to be a great one! We are all here because we love to sing! Chorus will promote musical growth, confidence, literacy, vocal technique, music proficiency, and of course, the enjoyment of singing!

Grading and Policies

40% Rehearsal Participation

Every Voice Counts. We are a team !

Remember. You are Needed your voice is an important part of our whole choral ensemble. Importance is placed on an individual's ability to function as a member of the section, show self-discipline during rehearsal and devote him/herself to the task at hand. Class participation can earn a student participation points for each rehearsal. Please put forth your best efforts. All members are expected to participate fully while rehearsing music, any vocal warm-up and sight singing activities or assignments linked to our rehearsal process.

50% Concert participation (if able to perform)

Concerts here at the Middle school are mandatory. **Unless COVID creates a situation where you do not feel comfortable participating.** Normally we have two concerts (Winter/Spring) per-school year. This year however we will also be involved in the Choral Spectrum concert in March. After working together so hard I am confident that everyone will make their best effort to attend. If you miss a performance due to illness/family emergency or COVID restrictions you are exempt. If you have to miss a concert for another reason. A make-up assignment might be necessary.

10% Quarterly singing or written evaluation

There will be one required individual or small group written and or singing evaluation for each marking period.
