Student Name

The above named student has my permission to drive the vehicle described on the reverse side to school. I fully understand that the violation of any of the parking regulations may result in the revocation of this privilege.

As a condition of receiving a Student Permit representing the grant of the privilege to park a vehicle on school property, the parent or student must give consent to the random search of the interior of the student's automobile by School District authorities at any time while it is on school property.

STUDENT PARKING REGULATIONS

1. All automobiles must be registered and must display the school parking permit in the appropriate location.
2. Student parking is restricted to the spaces contained in rows 2, 3 and 4 located in the East side parking lot. In addition, students are not to park in the transportation, front or faculty parking areas.
3. Automobiles are to be parked perpendicular to the lanes, front end in first.
4. There is to be no loitering in the parking lot whatsoever.
5. Students are expected to be licensed and fully insured.
6. There will be no speeding. The speed limit on school property is 10 mph.
7. There will be no reckless driving of any sort.
8. Students who violate conditions of the Code of Conduct, or are chronically late or absent from school may lose their permit. Parking privileges may be revoked and/or reinstated at the discretion of the principal.
9. Students who park illegally on campus (i.e. without a permit or a revoked permit) will be ticketed by the Hamburg Police.
10. Students are not allowed to transport other students unless approved by the High School Office.
