For your child's safety we are asking that when you purchase new sneakers for your son/daughter please keep safety in mind. Sneakers that either tie or have Velcro are the best. Slip on, zipper, or sneakers with high heels do not stay on and are a safety hazard in the gym class. We do a variety of activities throughout the school year and we need sneakers that fit and will not fall off easily.

If purchasing the required supplies presents a financial hardship for your family, please contact the Office at 926-1750.
