* **Please email or send in a list of likes** (books, toys, activities, TV shows, movies, games etc.), **dislikes and any other important information** that would be helpful to know or use to motivate your child as I plan instruction and rewards.

* **Complete change of seasonal clothing** in case your child requires them during the year as we do not have a supply of these. *Make sure your child has **velcro or tie sneakers** in order to participate in Phys. Ed. and/or playground time.

*Be Sure to **notify the school nurse of any allergy/dietary restrictions**. Please note you will need to send in any special foods that your child requires for parties or events*

* Since we work with other classrooms for integration/social groups etc. **This is Peanut Free classroom and we can not have any food containing or manufactured in a plant using peanut products entering our classroom.**** Students will not be having a snack time in class this year or storing food in our classroom. If your child is having breakfast please let me know so we make sure they get there in the morning on time.

* I am requesting that **no toys or outside items be sent in** to use in the classroom from home. I have all we need for reward/reinforcer times.

* **Please label** your child's backpack, all clothing etc. to avoid any mix ups. Your child will have a locker this year to keep all clothing, lunches, backpacks, coats etc. and they will be independently packing up.

Please monitor your email during the summer for Cloverbank and District updates and information about a supply drop off date! Thank you and I can't wait to work with everyone in September!!!!
