

Dear Winter Athletic Parents/Guardians:

We would like to update you on the status of Winter Sports. As many of you have heard our Governing Bodies for Athletics in NYS are NYSPHSAA & Section 6. NYSPHSAA and Section 6 have given us start dates for Winter Season 2020/21:

- A. December 14th Low Risk Sports Boys Swim, B/G Bowling and Indoor Track**
- B. January 4th High Risk Sports Hockey, Cheerleading, Basketball and Wrestling.**

Low Risk Sports: However, since we are in the **Orange Zone** we must obtain written approval from the Erie County Department of Health (ECDOH) and testing is required before students can return to school/athletics.

Therefore, we are on **PAUSE** Until Further Notice.

With that being said we need to have everything ready to go as soon as we are given the green light. Below are steps you as Parents/Guardians should complete so we can start as soon as possible without your son/daughter missing a day of practice.

1. **REGISTRATION:** In order to play Winter Sports, you must register your son/daughter on FAMILY ID. This is a paperless way to register for Athletics. Simply go to our Athletic Web Site on our District Home page and create your own login.
2. **Mandated Physicals:** All Athletes must have an updated physical to be able to participate in Athletics dated **December 2019 to present**. However, if you have already been approved in FAMILY ID for this Winter Season you are cleared to participate.

Please if you have any questions please call the Athletic Office 926-1704.

Rich Gray
Director of HPER & Athletics
