

ADDENDUM

Listed below is information regarding sources to obtain assistance in understanding the Commissioner's regulations, information regarding where to go to obtain free or low cost legal services and information regarding where an independent educational evaluation may be obtained. If you need help understanding your rights or you want further information about the District's policies or procedures regarding independent educational evaluations, you may contact the Special Education office. By providing the list below, the school district does not endorse the persons, groups or entities listed and is not responsible for the work product of these persons. You are not required to contact or use the agencies, persons or entities listed below and may contact other sources of information, other evaluators and other sources of legal services.
