Davis,

Does your advocacy group want to present a ½ hour information program ie....how you got started, what you do... thoughts from your member? I would imagine it more less like a panel discussion. The Speed Boarding event is scheduled for May 5th. If you are interested, please let me know as soon as possible....I would have your group present from 6:30 – 7:00 pm. If you are not interested at this point, please let me know so I can line up another program.

Thank you.

Davis,

The program would be for a ½ hour. A ½ hour can go quite fast. I would schedule Frontier from 6:30 – 7:00 or 7:00 – 7:30. Let me know what would work best.

I have another program for 8:00 – 8:30.

I would envision a brief intro....who the members are, how often you meet, who is part of the team.

Then go into what was the idea behind forming the group? What are goals of the group? What are some successes of the group? Having only started during COVID, are there plans to meet in person down the road? What are some of the things that have come out of the group working? How does a group sharing information and working help in the area of advocacy? How does involving a legislative rep add to the overall advocacy? Has it made a difference? Is there a closer relationship with legislators because of the formation of the group? Are there plans to continue? How does the group intend to involve more members or at least get the word out? These are just some of my thoughtsJane may have additional ideas or thoughts...

Hi Davis,

In conjunction with Sen. Sean Ryan's office, we're planning a Woodlawn Beach Clean Up event on **Saturday, April 23 from 10 am – 12 pm**. We did this event last year and there was a great turnout, and we're anticipating more this year. Assemblymember Rivera and Supervisor Randy Hoak will be there (and I believe Sen. Ryan can attend), Penn Dixie will have a table displaying fossils, and the Woodlawn Fire Dept. will bring a fire truck for the kids.

Would some Frontier parents, teachers, staff, and/or students be interested in coming out and joining us? I can share the flyer when it's finalized.

If so, one thought we had is seeing if Frontier folks could bring some sports equipment (nothing too involved, maybe a couple soccer balls or anything else easily on hand) in case people want to kick around after the clean up portion.

Best,

Cheryl
