

Lisa Beckwith

Candidate Profile

Lisa is an alumna of Frontier CSD who has lived in the district her whole life. She has a son who is currently a junior and has attended Frontier Schools since Kindergarten. Lisa is passionate about education and family, believing that the two are essential in the success of Frontier's students and faculty. Lisa is also committed to improving mental health awareness by

introducing a trauma-informed educational approach.

Lisa has been the PTA co-president at Blasdell Elementary, and has run many events that support students, parents and employees alike. Believing there was a need for change, she earned her Masters of Social Work from UB, with a focus on child development/disorders/treatment and trauma-informed care. Before and during this time she and her husband have remained active in the community supporting organizations such as CSRA baseball, Hamburg Hawks Hockey, The Family Justice Center and WNY Children's Psychiatric Center.

Currently, Lisa is employed at OLV Human Services as a social worker in the Intensive Treatment Program, where she empowers youth and their families. She wants to bring her passions of education, family and teaching the whole student to the Frontier Central School District.
