 - ii. Instructional Model drives Transportation design.
 - c. Appropriations reflect no change in FTE's, rollover of current programming.
 - d. Revenues -
 - i. NYS Aid – Governor's Run
 1. Building Aid adjusted to reflect closed out projects
 2. Transportation Aid reduced on lower 2021 operating costs due to Covid19.
 3. Tax Levy Limit - Final at 2.85%, increase of \$1,205,941.
 - ii. Miscellaneous Aids reduced on removal of Summer School tuition [\$65,000], B&A Revenue [\$412,000] and Community Ed revenue [\$158,000].
 - iii. American Rescue \$1.9 trillion moving through Congress. Would potentially fund essential programming to close educational gaps for students [summer, extended school day] and address resource allocation for social/emotional needs, PPE requirements and class size management. Mid-March timing of Congressional action. Will play into NYS Budget and final Aid allocations. Press release indicates approximately \$4 million to FCSD, best case.
