### Candidate Profile

Dan is the father to three great young boys: Jack (16), Owen (13) and Grayson (8). All three boys are very active in school activities, including band, sports, and student government. Dan has lived in the Frontier School District for the past 13 years. Dan's lovely sister in law is a schoolteacher in the district, giving him a little insight into the amazing things educators do for kids.

Through the years of living in Lake View and through his children's activities within school and outside of school, he has become friends to many people within the district. Dan is currently a board member of Lake

View Athletics and enjoys coaching travel and house league baseball in the community.

Dan has been involved in businesses since moving here from Canada 18 years ago. Dan and his wife Megan (Russell) Diplock currently own a handful of small businesses within Lake View and have always enjoyed being a part of the community. Dan is ready to apply his experience and knowledge to the board and appreciates your votes by mail!
