Principal's Notes

- Please do not enter the bus circle in the morning until after 9am. With the return to full-time at all buildings, we have multiple bus runs and buses entering at different times each morning.
- Student pick-up begins at 2 pm near the playground. The bus circle closes at 1:30 pm. Cars will not be allowed in the circle after 1:30 pm to pick-up children. Please do not park at Big Tree Pediatrics as they have informed us that cars will be ticketed.
- If you will be picking up your child, please send a note with your child. We have 150 students transported by our parents. We want to make sure everyone is safe and accounted for. We must know the transportation methods of our students in the event we must participate in contact tracing.
- **Reminder - Kindergarten orientation will be scheduled for August. Families will receive information directly from our school building.**
- Thank you for everything you have done to support our school this year. This certainly has been a challenge for our school community. We appreciate all the patience and grace you continue to show us as we push to get back to normal. "Alone we can do so little; together we can do so much" - Helen Keller
