Principal's Notes

- Car Rider Pro tags will be collected. These tags will be reissued for the next school year. Our team will be collecting tags on your child's last transport/pickup day.
- Grade 5 families - Our moving up celebration is quickly approaching. Please do not ask for younger siblings who attend BIE to attend the ceremony. We want to make sure there is adequate space for parents and grandparents. We are not issuing tickets this year, but must be mindful of space availability.
- Field Day families who entered the volunteer lottery and were chosen, have been contacted by the PTA. Please remember, only those parents working field day events are allowed on the grounds for the safety and security of our children. Volunteers will be required to sign in, and will receive a wristband.
- Please know the '23-24 supply lists will be posted on the BIE website. Your child will also receive a paper copy to go home.
- The last report card will be mailed home.
- Kindergarten Orientation is scheduled for August 30th. Further information will be forthcoming.
