

Frontier Central School District

Remote Learning Tasks: Guidance for Parents through April 20, 2020

Our Goals for Learning During the Extended Closure:

- Provide a regular, consistent and on-going educational experience for all students.
- Develop instructional packets and online tasks which will support students in maintaining skills and previously taught concepts while minimizing regression.
- Maintain a strong and consistent communication link between our students, their teachers, and parents.
- Provide resources related to social-emotional health and support for all members of our learning community.
