Re: 2022-23 Student Start and End Times

Below are the draft start and end times for our schools for the 2022-23 school year. The District prioritized getting these times out as a guide for all families to begin planning for next school year. Please understand that this is only a draft, times may change 5-10 minutes in either direction once Transportation is able to demo our runs this summer and confirm we can complete them within this schedule. Times are also subject to the District maintaining our current staffing in Transportation.

Student Start and End Times:

- High School - 7:05 am - 1:46 pm
- Middle School - 7:40 am - 2:21 pm
- Elementary #1 (Big Tree & Pinehurst) - 8:30 am - 3:00 pm
- Elementary #2 (Blasdell & Cloverbank) - 9:15 am - 3:45 pm
