Dear Frontier Families:

The purpose of this letter is to inform you that Frontier Middle School conducted a hold in place this morning due to an isolated incident. Under the direct guidance of the district's School Resource Officer, Dennis Horrigan, the Frontier Middle School Administrative Team, and the assistance of the Hamburg Police Department, the incident was quickly resolved and the building was immediately secured. At approximately 10:34 am, the Hamburg Police Department lifted the hold in place, and the building resumed normal operations. Both state and federal law preclude us from giving out details at this time. We can fortunately say, however, that no one was hurt, and the situation was entirely resolved before we resumed our regular operations.

As always, the safety and security of our students and staff remains our top priority. If you have questions, please contact my office or the Hamburg Police Department.

Thank you,

A handwritten signature in blue ink, appearing to read "Chris Swiatek".
