District Clerk

August 4, 2021

Dear Frontier Central School Community:

It is my greatest wish that this notice finds you well. Below you will find an outline of the start and end times for all of our component schools. The schedule of times was designed with many factors considered that affect our daily operations. A few of which are driver availability, a four-tiered bus run system, and working within the parameters of our respected bargaining units. As a note, the District does not have the necessary number of bus drivers to return to the three-tiered bus runs as in years past. With that in mind, this schedule is for this year only. Currently we are in the process of a major recruitment effort for drivers. The long-term goal is to eventually recruit enough drivers and return to a permanent three-tiered bus run system again.

The partnering of our elementary school runs was critical to the success of this plan. It became paramount to the District that we have to pick up our farthest points first and then work our way back into the central portion of the District. The reason for this is we will no longer be able to have synchronous bus drops at any of our locations. Buses must drop their prospective student count at the assigned buildings and immediately go back into circulation for our elementary #2 drop off and pick up needs. Below you will find the student day schedule for each of our schools.

High School:

Student Day: 7:15- 1:30

Middle School:

Student Day: 7:35- 2:10

Elementary #1
Pinehurst/Blasdell

Student Day: 8:35- 2:50

Elementary #2
BigTree/Cloverbank

Student Day: 9:10-3:25

I look forward to a successful school year.
