October 6, 2021

Dear Parents:

Frontier Central School District is providing an opportunity through the Erie County Department of Health (ECDOH) in collaboration with Quadrant BioSciences, Inc. for your child to participate in two COVID-19 testing programs for students this fall. The testing programs are completely voluntary. Both testing programs use a swab in the mouth that children can do themselves with the supervision of a medical professional if they are over the age of 3. If your child is under the age of 3 or needs assistance, ECDOH is providing a medical professional to your school district who is trained and can complete the swabbing for them.

The first COVID-19 testing program is called Proximal Testing. Proximal Testing happens when there is a positive COVID-19 case in a classroom. If your child is in the same room as someone who recently tested positive for COVID-19, they will have the opportunity to have a COVID-19 test done 3-5 days after the last day they were around the COVID-19 positive person. Proximal Testing is offered 3-5 days later since that is the incubation period of the COVID-19 Delta Variant, which is the variant making up most of the cases in our county.

The second COVID-19 testing program is called Surveillance Testing. Surveillance Testing happens on a weekly basis. Each week, we will be randomly selecting and testing a group of those who have consented to participate in this program. This means that your child will not be tested every week.

If you are interested in enrolling your child in either program or want to learn more, please visit the following website <https://www3.erie.gov/covid/covid-19-proximal-testing-and-surveillance-testing-schools>

Sincerely,

A handwritten signature in blue ink that reads "Chris Swiatek".

Christopher J. Swiatek

Step by Step Registration Guide:

Step 1. Visit the website:

When you click on the link, you should see this screen

COVID-19 Proximal Testing and Surveillance Testing for Schools

Thank you for participating in the Erie County Department of Health (ECDOH) COVID-19 Student Testing Program. Our goal is to return students in Erie County to an in-person learning experience, while also ensuring the safety of all students, faculty, and staff by reducing the risks of COVID-19 disease transmission in school settings.

Please follow the the steps below, in order, to ensure that your child is correctly enrolled in this program.

Step 1: Watch the [ECDOH Program Overview Presentation](#).

Step 2: Watch the [Quadrant Program Registration Video](#). Quadrant is the laboratory we are partnering with to process and analyze the samples collected.

Step 3: Complete and submit the [ECDOH Program Consent Form](#).

Step 4: Register with and complete the [Quadrant Program Consent Form](#).

If you have any questions, please contact the ECDOH School Team at (716) 858-1918.

We look forward to working with you.

COVID-19 Information

Visit the Erie County Department of Health [COVID-19 Information site](#) for complete COVID information.

Erie County Department of Health (ECDOH) School Testing Program Frequently Asked Questions (FAQs)

What is surveillance testing?

Surveillance testing utilizes pooled samples of a certain population for the purpose of monitoring and containing the spread of COVID-19 in a classroom setting

What is proximal testing?

What is pool testing?

How do I give consent for my child to participate?

How do I withdraw consent for my child to be tested?

Is this the invasive nasal swab?

What type of test is being performed?

How long will results take?

Will I be charged for reflex testing?

I input my insurance information, will I have a copay or receive a bill from my insurance provider?

Will I be notified before my child is tested?

What if my child is absent the day of testing?
