*District Clerk*

September 10, 2021

Dear Frontier Families,

We are excited to have all of our Falcons back in school! It has been wonderful to see our students back in class with their teachers and classmates.

At this time, I would like to recognize the transportation issues that occurred during the first week of school. Additionally, I would like to apologize to you if you experienced any type of transportation issue.

On our website ([www.frontiercsd.org](http://www.frontiercsd.org)) you will see information for the "Versatrans My Stop" app. Once you have downloaded and signed into the app you will be able to see your child's specific bus information.

We can do better and **will do better to transport your most precious cargo, your children.**

Sincerely,

A handwritten signature in black ink, appearing to read "Chris Swiatek".
