*Linda M. Leising*  
*District Clerk*

November 15, 2020

Dear Frontier Parents and Staff,

We have received information regarding nine confirmed cases of COVID-19 in the District. The individuals that tested positive include one staff member at the High School, one teacher at the Middle School, one staff member at the Frontier Educational Center, three teachers at Cloverbank Elementary, and two students plus a staff member at Pinehurst Elementary. Please be aware that we cannot release the name or any other personally identifiable information regarding this individual.

The Erie County Department of Health (ECDOH) continues to conduct contact tracing and reaching out to anyone who may have had close contact with the individual who tested positive. All individuals contacted are expected to comply with all instructions given by the ECDOH, including any requirement to quarantine for a designated period of time.

The District has infectious disease health and safety protocols in place to minimize the spread of the virus and other illnesses. To that end, our comprehensive reopening plan remains available to view on our website [www.frontiercsd.org](http://www.frontiercsd.org). Please refer to the Plan for more detailed information relative to the contact tracing process and health and safety protocols, including cleaning and disinfection.

All students, parents, guardians, and staff should continue to monitor their health for symptoms of COVID-19 and follow the Temperature and Daily Self Screening Protocol. If you or a family member begins experiencing COVID-19 like symptoms please contact your healthcare provider.

We will work with any affected families to support them throughout this process. If you have any questions or concerns, please contact your child's building administrator.

Sincerely,

*Richard J. Hughes, Ed.D.*  
Superintendent of Schools
