Dear Elementary Virtual Academy Families:

We hope that this letter finds you safe and healthy. Our order of Chromebooks has arrived. A Chromebook is available for your student to complete our 1:1 initiative. You can receive the device at the Frontier Education Center (FEC) at 5120 Orchard Ave. Hamburg, NY 14075.

This deployment of district devices will complete the 1:1 initiative ahead of schedule and support students in accessing and participating in online instruction and meetings with their teacher(s) for the duration of the 2020-2021 academic year.

If you are in need of a chromebook, please reach out to Bonnie Martin at bmartin@frontiercsd.org to schedule a time to pick up your device.

In order to receive a Chromebook, the district consent form must be completed and signed by both the student and his or her parent/guardian. The form is posted to the district website under the technology department under Use of Technology Agreement. If you are unable to print the agreement, copies will be available when you arrive for your scheduled pick up. Please ring the bell for technology (#7) and someone will meet you. District personnel will collect forms and complete the information related to the device number prior to distribution.

When you pick up the device, you will receive additional information including helpful hints for use of the Chromebook, the Frontier Central School District Acceptable Use Policy, as well as how you may access tech support through email.

We sincerely thank you for your support as we navigate these uncertain times.

Respectfully,

A handwritten signature in black ink that reads "Linda Dansa".
