Dear Friends:

It's my pleasure to send greetings and congratulations to the 7<sup>th</sup> and 8<sup>th</sup> grade students of Frontier Middle School as you are inducted into the National Junior Honor Society.

Honor Societies are instrumental in motivating and encouraging every young person to reach his or her full potential. You have demonstrated scholarship, leadership, service, and character and the National Junior Honor Society recognizes these qualities in you. I'm sure your teachers and families are very proud of your efforts.

I am happy to acknowledge your hard work and urge you to continue to set goals and aspire to do your very best. I wish you continued success in your future endeavors.

Sincerely,

  
Kathy Hochul  
Governor
