May 17	PTA Meeting 6:30
May 30	Memorial Day No School

From Mrs. Thurston's Desk...

Our Third, Fourth & Fifth grade students will take the New York State Assessment in English Language Arts beginning Tuesday, March 29th-Tuesday, April 5th. The Mathematics Assessment will be administered in April and Early May. These will be computer-based tests (CBT). Schools across the state use the data to support instruction. If you have any questions, please feel free to contact me at the school. On testing days, it's especially important to make sure that your child gets a good night's sleep, starts the day with breakfast, and goes to school with a water bottle to help stay hydrated.

Don't forget to check out our school's website for important dates and announcements!

-Mrs. Thurston

Just a Friendly Reminder...

Please submit a form to order cupcakes for birthdays and other special occasions. Cupcakes are \$0.50 each and can be paid for by sending cash or a check in to school. All orders should be submitted by the Friday before the event. Please call the Frontier Food Service Office at (716) 926-1702 with any questions. Forms are on the school's webpage.

What We Are Learning

Grade PK

From the Nurse's Desk....

We are asking that the students have a change of clothes in their lockers in case of accidents/ getting dirty outside, etc.. If your child gets a physical or updated shots, please remember to send a copy to update their health records. Mandated years for physicals are PreK, K, 1st, 3rd and 5th grade students. Please watch for notes coming home with fifth grade students for immunization requirements for 6th grade.
