We are excited about our new playground. It has been over two years in the making. Thank you to the parents, faculty and staff that served on our playground committee with our representative from Parkitects. It is so rewarding to see how the work of the committee, with the support of our school community, has come to fruition. We anticipate that it will be completed prior to the start of the school year. You may have noticed the fence around the playground. During the school day, the playground will be accessible only to teachers and their students. Following dismissal, the playground will be open and accessible to the community. After dark, the playground will again be locked during the overnight hours.

I am looking forward to the 2022 - 2023 academic year. If you have any questions, please do not hesitate to contact me. I can be reached via email at [jmakowski@frontiercsd.org](mailto:jmakowski@frontiercsd.org) or by phone at 716-926-1779.

Sincerely,
