## Section VI Champs!

Frontier Girls Varsity Lacrosse won the Class B section title 10-7 over Orchard Park at Adams Field in Tonawanda. The Falcons held off the Quakers to win their fourth straight sectional final in Class B girls lacrosse!

## Message from the Superintendent

Dear Frontier Central School Families,

How quickly this school year has gone by. Together as a District we have balanced the importance of health and safety with education. Our school year environment has changed greatly within the past 10 months. Our struggles with COVID-19, masking mandates and vaccination requirements complicated the role of schools and its roles in regulating these mandates. While we struggled through some, the overall successes we shared greatly outnumbered the setbacks. We once again celebrated the highlights of what Frontier Central School excels at: the musical, concerts and field trips returned, sporting events played entire seasons, clubs and dances were revived and we celebrated graduation at Shea's Buffalo Performing Arts Center.

Christopher J. Swiatek

In reflecting back on this past year, I found that:

- The Frontier school community is an incredibly giving community full of vibrant families and children always willing to help.
- Together the District and families have grown to understand the complexity of our learners, to clarify our priorities, and to improve our instructional model.
- The District and our families are committed to continue to provide the best all-around education for our students.
- The start of our SOAR Capital Project is a renaissance of sorts for what's to come.

Finally, I would like to thank all of the students for their resilience and patience for continuing to pursue their academic goals during an ever-evolving academic landscape. On June 26, we enjoyed watching our Class of 2022 seniors cross the stage and gather one last time to celebrate their successes. As we pass the torch to the Class of 2023 in September, we will continue to strive to provide a safe and supportive school system for all of our children.

Fly Falcons Fly!

Christopher J. Swiatek

## Message from the High School Principal

Dear Frontier High School Community,

On behalf of Frontier High School, I would like to wish the entire High School community a happy and healthy summer. I could not be more proud of this school and students' continued success during this school year. Our school remains a place where students can become critical thinkers, problem solvers and independent learners. In a world where things continue to change, the education system is changing too. Our schools will embrace new standards for learning over the next three years in several departmental areas. The need for mental health instruction continues to be a critical need for our students. The world news around us, notably social media, continues to influence our day-to-day life. In a world changing as rapidly as ours, it has never been more important for the partnership between schools and families to be strong. If you know an educator, tell them how thankful you are for what they do. We are proud to be on the front lines of education. It has never been more challenging. We are honored at Frontier High School to support you and your students.

Daniel A. Charland

Sincerely in education,

Daniel Charland

## Class of 2022

### #1 Valedictorian

#### Emilie Griffin

**Future Plans:** University at Buffalo, Computer Science

**Extracurricular Activities:** Mock Trial Team, Bioinformatics Club, Greater Buffalo Youth Orchestra, National Honor Society, Tri-M Music Honor Society, Buffalo Bluegrass Youth Ensemble, Southtowns Youth Orchestra, Area All-State Orchestra and All-County Orchestra.

**Work and Volunteer Experience:** Works at Wegmans as an In-Store Shopper and volunteers with Hamburg YES and FeedMore Western New York.

**Most Memorable Experience:** My most memorable experience is going to the City Court House to compete with the Mock Trial Team, especially when my side of the team won in our first round.

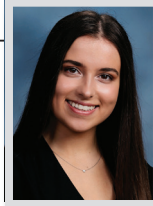

**Parents:** Christopher and Kelly Griffin

**#2 Salutatorian**

**Katelin Kerl**

**Future Plans:** Northeastern University, Business Administration and Communication Studies

**Honors and Awards:** Southtowns Chamber of Commerce Student Star Award, George Eastman Young Leaders Award, The Award for Academic and Cultural Excellence and AP Scholar Award.

**Extracurricular Activities:** Senior Class President, Ex-officio member of the Frontier School Board, Dance, National Honor Society and Spanish Club.

**Work and Volunteer Experience:** Works at Fowler’s Chocolates and as an assistant teacher at Hamburg Dance Center.

**Most Memorable Experience:** Mentoring a fifth-grade student from Big Tree Elementary my junior year, getting to know her, playing with her, and helping us both get through some of the isolating feelings brought on by the pandemic as normal school resumed.

**Parents:** Peter and Misty Kerl

**#3**

**Cailey Burke**

**Future Plans:** Hilbert College, Forensic Science

**Honors and Awards:** Colleen Fatta Scholarship, Hilbert College Franciscan full tuition scholarship, All-Western Scholar Athlete, Hilbert College Honor Program, Roberts Wesleyan College Trustee Scholarship, B.T. # Ecology Club's 15th Annual Tree Project

The Frontier High School Ecology Club continued the traditional Tree Project for the 15th year on May 6 at Big Tree Elementary! Ecology Club members taught the younger students facts about trees, including how to plant one, and then gave each student a tree to take home.

Hundreds of trees were prepared by the Ecology Club with the help of Erie County Cornell Cooperative Master Gardeners. Since 2007 over 10,000 trees have been distributed to Frontier students to plant in the school district.

# 6th Annual Bald for Bucks at FMS

Frontier Middle School once again made it a mission to support cancer research. This year's Bald for Bucks celebration was a huge success! Forty-one students and five teachers participated in going bald or cutting their hair and 50 students and even more teachers donated to get colorful hair extensions. Students and staff raised a total of \$24,495 to benefit Roswell Park Comprehensive Cancer Center. Frontier Middle School was the second highest Bald for Bucks school fundraiser this year. This is the sixth year FMS has participated in Bald for Bucks, including an at-home event in 2020. They hope to be a top fundraiser once again next year!

## Frontier Middle School 8th Grade Class Day

Frontier Middle School held 8th Grade Class Day on June 8, including a slideshow of Middle School memories, food and games. That was followed by the Class Day Dance (pictured) on June 10.

## Big Tree Elementary Foreign Language Mentors

French and Spanish mentoring students finished off their year of mentoring with a celebration! Pictured are French Mentors and their students at Big Tree.

## Blasdell Elementary Buffaloes for BPS

Ms. Juron helped to organize a show of support for students of Buffalo Public Schools and our Buffalo community. Blasdell students decorated individual buffaloes in an effort to show peace, love and kindness to their peers.

## Cloverbank Elementary Patriotic Tradition

It's been two decades since Cloverbank began taking patriotic photos from the sky each year. Students, faculty, staff and graduating seniors gathered together to form a red, white and blue flower. Photo courtesy of Patty's People Pictures.

## Blasdell Elementary 5th Grade Track Meet

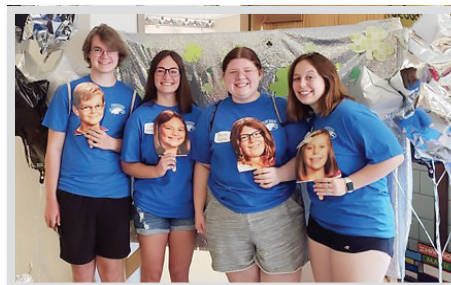

Fifth grade students gave it their all at the Activity Day and Track Meet at Frontier High School on May 6. Students participated in various athletic events including basketball, kickball, soccer, flag football, relay races and a spirited tug-of-war! Pictured are students from Blasdell Elementary.

## Pinehurst Elementary Pre-K Graduation

Pinehurst pre-kindergarten students graduated! Each student had a graduation cap that represented which elementary school they will be attending as kindergarteners. This was the first year of Frontier's full-day Pre-K program.

## Welcome Back to Elementary

Seniors returned to their elementary schools for a walk down memory lane before graduation. Cloverbank past students paraded through the halls, watched their grade 5 memory video and had a photo op with their 5th grade selves!

## Capital Project Update

On June 13, 2022, Frontier Central School District administrators and Board of Education members broke ground on the 2021 SOAR Capital Project at Frontier High School.

Last July, District voters approved the \$70.1 million project work which spans over all of our facilities and schools. Currently, the work is broken down into four phases. In addition, Phase 1 has four sub-sections, A-D. The district broke ground on Phase 1a, which represents the first wave of work being completed.

- High School: Softball and baseball turf diamonds, concession stand foundation work and piping work in the basement of the school.
- Pinehurst: Renovation of 27 classrooms, lavatory upgrades, new playground, cafeteria floor and replacement of student lockers in two wings.
- Blasdell: Two new kitchen serving lines.
- Cloverbank: Kitchen serving lines and new playground.
- Big Tree: New playground, digital entrance signs and newly designed student drop off area.

## Free & Reduced Lunch Applications

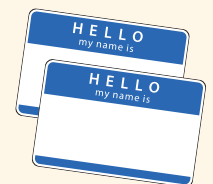

Lunches will not be free for all students in the 2022-23 school year. Free and Reduced Lunch Family Applications will be sent home in August and are available on the food service website. Families are strongly encouraged to complete the application form if you believe you will qualify.
