

The mission of the GSA at Frontier Middle School is to allow students to feel accepted and safe while in school. We want to spread kindness and work towards a more accepting environment for all people regardless of their sexual identity or gender. We play games, do team-building activities, watch movies, eat snacks, and talk about what's going on in our lives. Everyone is welcome to come, regardless of identity.

We meet once a month in room 249.
