

# School Start and End times

Frontier Families, I hope you are enjoying the beautiful days of summer. I wanted to get a few updates to the community regarding transportation and school start and end times. Due to staffing, the District will remain in a 4-tiered busing system with the High School and Middle School remaining the same and a slight shift in pairing of the elementary schools listed below. Currently, we have now completed the re-routing of each individual bus run for efficiency. Next week we will be completing “dry runs” to ensure our busing timelines are accurate and correspond with our school start and end time projections. Please note, these projected times still may vary within 5 minutes while we continue to audit the accuracy of our runs. Letters will soon follow to families with pick up and drop off times. The projected school start and end times for the 2022-23 school year are as follows:

## **Student Times**

High School	7:05-1:46
Middle School	7:40-2:21
Elementary #1 Big Tree & Pinehurst	8:30-3:00
Elementary #2 Cloverbank and Blasdell	9:10-3:40
