

School Store: The school store is a student-run store at Frontier Middle School. Applications to work in the store are taken twice a school year, in September and again in January. Students can apply to work during their studyhalls. We are looking for students who are mature, responsible, well behaved and friendly. If accepted, students will attend a mandatory training meeting and sign a behavior contract for behavior in the school store.

The School store advisors are Ms. Simoncelli (ext. 3156) and Mrs. Privateer (ext. 3112)
