### RFP #23022 – Questions and Answers

1. I did not see anywhere in the bid where you ask for glazing of the windows as we did at Blasdell Elementary. Do you want this included in this proposal?
  - **Yes, we do and there is a reference to glazing in the specs. Please provide quotes with glazing.**
  
2. In the bid you state that you want a tinted which would be the 3M Ultra Night Vision S25 product, but you specify the Ultra 800 product? I know there is not much of a price difference, but I want to make sure we quote the proper item.
  - **We specify the 800 for clear and ask for a tinted version if you have it. Please provide both quotes.**
